4. Purpose of Document

This document seeks to provide guidance to developers and clients on how to integrate the NSE Ticker Widget into existing applications and websites for data display.

5. Registration/On boarding Process

5.1 Create a company profile from the following link

<https://deveint.live/nsewidgets/#!/auth/register>

Register

<div>First name *</div> <div>Please type something</div>	<div>Last name *</div>
<div>Organization name *</div>	<div>Organization website *</div> <div>https://</div> <div>Example: https://www.example.co.ke</div>
<div>Organization email *</div> <div>Example: it@example.co.ke</div>	<div> Organization phone *</div>
<div>Password *</div> <div>Minimum 8 characters</div>	<div>Password confirm *</div> <div>Confirm your password</div>
<div><input type="checkbox"/> I accept the Terms and Conditions</div> <div><input type="checkbox"/> I accept the Privacy Policy</div>	
<div>Submit</div>	<div>Login</div>

5.2 Request for a product

After completing the registration, click on the **Get** Button to Request for the NSE Ticker Product. The request will be reviewed and approved by the NSE Widgets Administrator after verification.

✚ Products					
Product	Description	Price	Duration (days)	Subscription	Actions
Ticker	Ticker widget	KES 0.00	365	Active	<div><div>GET</div><div>EMBED CODE</div></div>

5.3 Embed Ticker Code to Website

Upon Approval by the NSE Widgets Administrator

5.3.1 **Add** the following script before the closing tag `</head>` of your website
`<script defer src="https://deveint.live/nseticker/v1/eembed.js"></script>`

5.3.2 Embed the following code to the position where you want the ticker to appear on your website page. Replace **'your_isinno'** with your actual isin_number and **"issuer"** with your actual issuer name. `<div data-account="your_isinno" data-issuer="issuer" id="nseticker"></div>`

You can also get ticker codes from
<https://deveint.live/nseticker/newticker/>

5.4 Embed IR code to website

Click on embed button then enter your isin_no

Products

Product	Description	Price	Duration (days)	Subscription	Actions
Ticker	Ticker widget	KES 0.00	365	Active	<button>GET</button> <button>EMBED CODE</button>
Stock Chart	Stock Chart widget	KES 0.00	365	Active	<button>GET</button> <button>EMBED CODE</button>

Paste codes to your webpage as illustrated on the last step

Step 1

Include CSS before closing head tag on your website

```
<link rel="stylesheet" type="text/css"
href="https://www.deveint.live/nse_assets/css/ir.css">
```

```
<style>
  .navcustom {
    background-color: #000;
  }
  .navcustom a {
    color: #fff;
  }
  .irwidget {
    background-color: #000;
    color: #ddd;
  }
  .irbody {
    background-color: #000;
    color: #fff;
  }
</style>
```

Step 2

Include JS before closing body tag on your website

```
<script  
src='https://ajax.googleapis.com/ajax/libs/jquery/3.4.1/jquery.min.js'  
></script><script defer  
src='https://www.deveint.live/nse_assets/js/data.js'></script>
```

Step 3

Copy paste this to any visible space on your website to display the IR chart

```
<div id="ir" data-isinno="KE0000000604"></div>
```
